MISSION STATEMENT The mission of East Liverpool Christian School is “Providing educational opportunities founded on Judeo-Christian principles, enabling students to impact society for Christ by continuously learning, discerning, and advocating truth.” ELCS provides a distinctively Christian education with academic excellence that equips each student to choose a life completely obedient to God.

VISION STATEMENT The vision for students at East Liverpool Christian School is that they will love the Lord with all their heart, mind, soul, and strength, that they will grow in wisdom, stature, and in favor with God and man, and that they would worship God through their thinking, learning, serving and living.

TENETS OF FAITH

- We believe the Bible to be the only inspired, infallible, authoritative Word of God. (II Timothy 3:16)
- We believe in one God, eternally existing in three persons: Father, Son, and Holy Spirit. (Matthew 28:19)
- We believe that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true Man. (Luke 1)
- We believe that man was created in the image of God; that he sinned, thereby incurring not only physical death, but also spiritual death which is separation from God, and that all human beings are born with a sinful nature. (Romans 3:23, I John 1:8)
- We believe the Lord Jesus Christ died for our sins according to the Scriptures, as the representative and substitutional sacrifice, and that all who believe in Him are justified on the ground of His shed blood. (Romans 6:23)
- We believe in the resurrection of the crucified body of our Lord, in His ascension into Heaven, and in His present life there for us, as High Priest and Advocate. (John 11:25, I Peter 1:3)
- We believe in “That Blessed Hope” --the personal, pre-millennial, and imminent return of our Lord and Savior, Jesus Christ. (Titus 2:13)
- We believe that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit, and thereby become children of God. (Romans 5:1-2)
- We believe in the bodily resurrection of the just and the unjust, the eternal blessedness of the saved, and the everlasting conscious punishment of the lost. (Revelations 20:15, John 14:1-3)

EAST LIVERPOOL CHRISTIAN SCHOOL PHILOSOPHY

East Liverpool Christian School believes the Bible as the only inspired, inerrant and infallible Word of God, and as such, is our final authority. Thus, we believe a true education is only possible in the light of and in harmony with this authority.

Believing the Bible and its absolutes as the final authority enables education to be accomplished within the framework of definite guidelines and disciplines, and provides a foundation of security which will produce purpose and reason for existence. Thus, the student will arrive at the understanding of where he came from, why he is here, and where his is going.

It is essential to know the true nature of man if a proper education is to be provided. The Bible shows that man is the result of the immediate, special and creative act of God. Man was created in the image of God, possessing intellectual faculties and given the responsibility of developing a holy character. By an act of disobedience he fell from his state of innocence, and in doing so, he brought upon himself and his posterity a sinful nature with its resulting sorrow, pain and death. Man, by nature, is born sinful, and apart from the redeeming grace of God, is not capable of understanding life nor of realizing its fullest potential.

True education must take into account the “the fear of the Lord is the beginning of knowledge” (Proverbs 1:7), and its primary goal must be bringing the students into a right relationship with God. Everything else is secondary to and dependent upon this. Through Jesus Christ, God has made provision for this right relationship.

The Bible teaches us that Jesus Christ, our Ultimate Example, increased in four ways during his years of growth in Nazareth of Galilee: in wisdom, stature, and in favor with God and man (Luke 2:52). True education benefits the physical, intellectual, social and spiritual aspects of man, who is himself body, soul, and spirit (1 Thessalonians 5:23).

True education provides an opportunity to increase in wisdom and knowledge. East Liverpool Christian School requirements of education will meet and exceed all of the requirements and standards set forth by the Ohio State Board of Education except where these may be in conflict with the Bible.

True education provides, also, the awareness of the need for healthy living habits. This would include personal hygiene, opportunities and outlets for competitive sports, nutritional, and the kind of drug, alcohol, and tobacco education which spells out clearly the harmful effects of the abuse and misuse of these products on the body, mind, and spirit.

True education stresses social relationships. An effective citizen must have an understanding of our political structure and be educated as to his personal responsibilities in the home, community, and government. A student should be educated as to the problems concerning production, distribution, and consumption of wealth and resources. It is the responsibility of Christian education to develop right attitudes toward one’s fellow man. The ideas of neighborliness, courtesy and cooperation should be instilled. Respect for other’s rights, opinions, privileges, and worth should be taught. The truly educated will desire to help others.

Another purpose of Christian education is to create good and effective citizens of the democracy. This education should bring about an understanding of the ideals and advantages of democracy. It should make the student aware of his rights, freedoms, and responsibilities within the understanding of the cultural traditions of the past and be able to resist current distortions and ridicule of our American history and way. Education must make knowledge of our rich heritage available to each generation. Christian education will strive to instill in each the virtues of honesty, integrity, sincerity, and a respect for honor that produces patriotic citizens.

Finally, true education increases the reality of the personal relationship with God through Jesus Christ and develops disciples for Jesus Christ. Education that includes spiritual and moral instruction will make serving God, worship, devotions, Bible reading prayer, etc. a part of the normal, daily activity and will not isolate these things as something apart from reality. This kind of education provides the strength necessary to enable a citizen to take his place in society without having to sacrifice his spiritual and moral convictions. The manifestations of his true Christian character become

evident in every aspect of life. Material and spiritual goals are then brought into a proper perspective and a right relationship with each other.

East Liverpool Christian School recognizes the need to develop an awareness of the absolute need of total dependency upon and faith in God and His revealed will as the only sure guides in this life and the life to come. This will saturate everything that is taught.

EAST LIVERPOOL CHRISTIAN SCHOOL PURPOSE AND GOALS

Under God, we must set ourselves to the task of operating a Christian school to teach children and young people that in all life Christians must seek a proper relationship with God. Our teaching is concerned with educating the whole person—spirit, soul, and body.

Because Jesus Christ is the Truth (John 14:6), no person is fully educated in truth, until they are fully instructed in Him.

Because God's Word is truth (John 17:17), no person has been confronted with truth until they have considered His Word, relating it to everyday life.

PURPOSE AND GOALS OF ELCS

- To teach that the Bible is the Word of God and is essential to daily living.
- To integrate the Bible into every academic subject.

ELCS LIFESTYLE STANDARD FOR LICENSED-CERTIFIED STAFF

All certified staff will be hired on the basis of ability to perform the duties of the particular job for which application was made. This lifestyle statement applies both during and after school hours.

THE LICENSED-CERTIFIED STAFF MEMBER WILL:

- Demonstrate in writing, in speech, in actions and in attitude, a consistent walk with Jesus Christ that is submissive to His leadership (James 5:7-10). This includes, but is not limited to, the spending time of time daily in the reading of God’s Word and prayer, the responding to the ministry of the Holy Spirit within, and the attendance at a church whose doctrine is consistent with ELCS Tenets of Faith.
- Manifest by precept and example the highest Christian virtue and personal decorum, serving as a role model (I Timothy 4:12) both in and out of school to pupils (Luke 6:40) , and as an example to parents, and fellow faculty members in judgment, respect, and Christian living. This includes, but is not limited to the refraining from such activities as the use of tobacco, illicit drugs, pornography, and the use of vulgar and profane language, gossip, slander, and drunkenness. (Col. 3:17; Titus 2:7-8; 1Thess. 2:10, 5:18, 5:22; James 3:17-18)
